# Nuwan Perera

Information and Technology | Undergraduate at Rajarata University of Sri Lanka, Faculty of Applied Sciences

Kalutara District, Western Province, Sri Lanka

## Summary

I am currently pursuing a degree course in Information Technology at Rajarata University. I believe that I have excellent communication skills, the ability to present something effectively, the ability to work in a team spirit and leadership skills. I am constantly coding and improving my coding skills.

---

## Experience

IEEE Student Branch of Rajarata University of Sri Lanka

Program Committee Leader

December 2023 - Present (1 year 5 months)

MAS Holdings

Operation Intern

July 2024 - January 2025 (7 months)

Panadura DS Division, Western Province, Sri Lanka

During my internship, I took the lead in Continuous Improvement (CI) releasing activities, ensuring smooth implementation and team coordination. I developed a strong understanding of urgency, effectively prioritizing tasks under pressure to meet critical deadlines. I also enhanced my problem-solving skills by addressing real-time production challenges and contributing practical solutions. Additionally, I played a key role in maintaining line continuity by coordinating with cross-functional teams and ensuring operational efficiency. My exposure to supply chain management gave me hands-on experience in procurement, planning, and inventory control processes to support production needs.

---
